Criminal Investigator / Deputy: The Madison County Sheriff's Office is currently accepting applications for a criminal investigator. The investigator will conduct misdemeanor and felony criminal investigations. The investigator will conduct investigations, prepare detailed reports, and prepare the investigations for submission and review of the District Attorney Office. The applicant must have the ability to work well with other city, county, and State agencies. The applicant needs to be a certified Texas police officer with investigator experience. The applicant will be required to submit three case reports they have prepared with their application.

Application Process: Applications may be requested at the Madison County Sheriff's Department, or downloaded by visiting the Madison County website at www.co.madison.tx.us
