IN THE COMMISSIONERS COURT OF
HARDIN COUNTY, TEXAS
**SUPPLEMENTAL and FINAL ORDER
ADOPTING REVISED POLITICAL
BOUNDARIES FOLLOWING REDISTRICTING OF
COMMISSIONERS COURT PRECINCTS**

BE IT REMEMBERED, that the Commissioners Court of Hardin County, Texas previously adopted a plan for the redistricting of Commissioners Court Precincts on November 9, 2021. Attachment 1. As a consequence of the boundary modifications made by that Order, various changes in the underlying election precincts were required to conform election precinct boundaries to the new Commissioners Court precincts. In addition, the resulting changes to election precincts may have an impact upon the Justice of the Peace Precincts of Hardin County. This Supplemental Order, and the attached maps, data and narrative text, set forth the changes resulting from redistricting of Commissioners Court precincts, and provides an explanation for the necessity of the same.

IT IS THEREFORE ORDERED, ADJUDGED and DECREED that this Supplemental Order, along with all prior Orders of the Commissioners Court, shall be considered as a whole, and this Order shall constitute the FINAL ORDER of the Hardin County Commissioners Court regarding redistricting of all Hardin County political boundaries. To the extent necessary this Order may be supplemented by such attachments and additional data as may be required without the necessity of further action by the Commissioners Court. Legal Counsel for the County, the firm of Allison, Bass & Magee, LLP, is hereby authorized to make such necessary additions to the supporting documentation, descriptions, maps and data charts necessary to comply with the requirements of state or federal law.

This Supplemental Order shall be composed of the following information, which may be supplemented without further order:

1. Maps of the four statutory Commissioners Court precincts and:
 - i. Identification of constituent election precincts that make up each Commissioners Court precinct, and
 - ii. Demographic charts reflecting the population and racial/ethnicity for each Commissioners Court precinct.

See Attachment 2.

2. Map(s) of each Justice of the Peace Precinct, and:
 - i. Identification of constituent election precincts that make up each Justice of the Peace precinct.

See Attachment 3.

3. Map(s) of Election Precincts, and
 - i. A narrative description of the boundary changes of election precincts, and/or a list of census blocks included therein.

See Attachment 4.

4. If necessary, a narrative explanation of any other condition or circumstance relevant to the redistricting of Hardin County political boundaries.

5. Sections 42.005, 42.0051, 42.006 and 42.007 of the Texas Election Code contain various provisions related to the creation of election precincts. The Commissioners Court of Hardin County, Texas hereby recognizes that in some cases, the provisions of Section 42.007 are impracticable, in that portions of the municipal ward lines contain little or no population, and that as stand-alone entities, such areas cannot constitute a separate election precinct of suitable size or shape that contains a permissible number of voters or cannot be combined with other territory on the same side of a political boundary to form an election precinct of a suitable size or shape without causing another election precinct to fail to meet those same requirement. This Order recognizes that where such conditions exist, the office performing the administration of elections is given discretion to allocate territory in such a manner as to obtain substantial compliance with the applicable statutes.

6. **Notice of Availability: A copy of the entire redistricting plan shall be available for inspection by the public during regular business hours in the office of the County Clerk, or on the county website.**

To the extent that any of the foregoing revised election precincts contain territory inside a city with unincorporated territory outside of the affected city, the Commissioners Court, pursuant to §42.007 (1) and (2), finds that either of the two areas (within and without the incorporated city) cannot constitute a separate election precinct of suitable size or shape that contains the permissible number of voters, or cannot be combined with other territory on the same side of the city boundary to form an election precinct of a suitable size or shape that contains the permissible number of voters without causing another election precinct to fail to meet those requirements. The Commissioners Court delegates sufficient discretion to the office performing the administration of elections to make such boundary adjustment to said election precincts to facilitate the effective administration of elections, and to pose the least inconvenience to the voters of the affected election precincts.

The above and foregoing changes to Election Precincts shall take effect January 1, 2022, and will remain in effect until changes by further Order of this Commissioners Court.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Redistricting Plan depicted in the maps and data attached to this Order are hereby APPROVED and ADOPTED by the Commissioners Court of Hardin County, Texas. This Final Order and Plan adopted by this Order shall be effective for the 2022 general primary election, and for all subsequent elections until changed or modified by later Order.

Signed this 14 day of December, 2021.

HARDIN COUNTY, TEXAS

ORDER ADOPTING REDISTRICTING PLAN
FOR COMMISSIONERS COURT PRECINCTS

FILED FOR RECORD

2021 NOV -9 PM 12:01

CLERK OF COURT
HARDIN COUNTY, TEXAS
BY 

BE IT REMEMBERED, that on the 9th day of November 2021, came on to be considered the issue of periodic redistricting of county political boundaries. This Court has, in due time, given deliberate consideration to the legal issues and of governmental duties imposed by state and federal law. In addition, the Court has previously entered in the minutes of this Court, criteria by which any redistricting plan would be considered, the prior Order establishing criteria being incorporated herein by reference.

This Court has commissioned and has received an Initial Assessment by qualified professionals experienced in the field of redistricting law for the purpose of making a preliminary determination of population distribution between the four commissioners court precincts, and the obligation to comply with "one-person-one-vote" balance as required by applicable state and federal law. This assessment has been filed in the minutes of this Court, and is incorporated by this reference as Exhibit 1, Initial Assessment. A finding, based upon this assessment, recognized the legal duty to redraw political boundaries to comply with applicable law, and a copy of this finding is entered into the minutes of this court, by which reference this prior finding is incorporated into this Order of the Commissioners Court, Exhibit 2, Order Requiring Redistricting.

After convening in Public Hearing for comment upon any and all proposed plans, and after meeting in open session for the purpose of considering alternatives available to the County for modification of existing political boundaries in a manner designed to achieve both acceptable levels of numerical balance between the four commissioners court precincts, and to protect the voting rights of all residents of Hardin County, the Commissioners Court has determined to adopt the redistricting plan attached to this Order in map and data form, Exhibit 3, Proposal Option 2. At a later date, this Court will receive a more complete description of this plan, including a map depiction of all new political boundaries, polling places, election precinct boundaries, and any affect such changes in Commissioners Court precincts may have upon Justice of the Peace/Constable precincts. This supplemental order will be taken up and considered by the Court after public notice as required by law.

IT IS THEREFORE ORDERED ADJUDGED AND DECREED that the Redistricting Plan depicted in the maps and data attached to this Order are hereby APPROVED and ADOPTED by the Commissioners Court of Hardin County, Texas. Upon final approval of the supplemental data to be provided at a later date, the Redistricting Plan, Proposal Option 2 adopted by this Order shall be effective immediately for use in the 2022 Primary and for all subsequent elections until changed or modified by later Order of this Court.
